Data Protection Declaration / Datenschutzerklärung

DEUTSCH: Ich bin damit einverstanden, dass meine freiwillig für das Ersti-Buch dem WiWi-Netzwerk Tübingen e.V. (Verein) zur Verfügung gestellten Daten, von diesem elektronisch gespeichert und für den Zeitraum des aktuellen Wintersemesters zur weiteren Kontaktierung und zum Informationsaustausch im Rahmen des Vereinszweckes verwendet werden dürfen, ferner auch um mich am Ende meines Studiums über das Jahrbuch zu informieren.

Der Vorstand macht besondere Ereignisse des Vereinslebens, insbesondere die Durchführung von Veranstaltungen durch die Presse und/oder die Vereinszeitschrift und/oder die vereinseigene Internetseite bekannt. Dabei können auch Aspekte des Erstibuches, nicht jedoch einzelne Profile, veröffentlicht werden. **Das Ersti-Buch wird ausschließlich in Papierform veröffentlicht und nur denjenigen zugänglich gemacht, die selbst am Ersti-Buch beteiligt sind.**

Der Verein hat mich darauf hingewiesen, dass meine Einwilligung zur Verarbeitung personenbezogener Daten jederzeit merkmalsbezogen widerrufen werden kann. Des Weiteren wurde ich unterrichtet, dass ich ein Auskunfts- und Berichtigungsrecht bezüglich meiner gespeicherten Daten habe. Eine entsprechende Anfrage hierzu ist schriftlich an den Verein zu richten.

Ich verpflichte mich, die mir vom Verein zur Verfügung gestellten (Mitglieder-) Daten, insbesondere Profildaten aus dem 'Ersti-Buch', streng vertraulich zu behandeln, sie nicht an Dritte weiterzugeben oder in sonstiger, nicht den Zwecken des Vereins entsprechender Weise zu verwenden. Insbesondere werde ich die Daten nicht zu Werbezwecken missbrauchen. Es ist mir bekannt, dass Zuwiderhandlungen einen Verstoß gegen das Datenschutzgesetz darstellen und strafrechtliche Konsequenzen nach sich ziehen können.

ENGLISH: I agree that data I have submitted voluntarily to the Ersti-Buch of WiWi-Netzwerk Tübingen e.V. (Verein) can be saved electronically and, for the remainder of the academic year, used to contact me and for information exchange to serve the purpose (Vereinszweck) of WiWi-Netzwerk e.V, as well as to inform me about the Yearbook at the end of my studies.

The board of WiWi-Netzwerk informs about special events and activities of the Verein through its website and/or its magazine and/or (social) media. This may include aspects of the Ersti-Buch, but not individual profiles. **The Ersti-Buch will be published on paper exclusively and given only to those who participated in the Erst-Buch themselves.**

The *Verein* has informed me that I can, at all times and items-based, withdraw from my agreement to allow the processing of personal data. I have further been informed that I have the right to enquire about data saved on me, as well as to correct data saved. Such a request has to be directed to the *Verein* in writing.

I am obliged to treat any data provided to me strictly confidential, particularly data of Ersti-Buch profiles. I agree not to pass any data on to third parties or to use it in any other way that contradicts the Verein's bylaws. I will not abuse any data provided for commercial or advertising purposes.

How to fill-in the Ersti-Buch form

Photo:

Please do not forget to send us a picture of you. Send us a private picture of you that you like rather than a 'boring' picture you would use for applications. Please ensure a **good resolution** and include **your name in the filename**.

Personal Data:

The Ersti-Buch has the primary purpose to help you getting to know your fellow students and to connect each other (**Name, Email**). Some of you may come from the same place (**Birthplace/growing-up place**) and/ or have birthday on the same day. The **postcode** of the (last) town you grew up in is particularly important to generate a map, on which we depict where our students come from (we don't publish the postcode).

About me: (min 100 - max 580 characters)

Feel invited to be creative: you can tell us your nickname, your strengths & weaknesses, what you like or dislike, languages you speak or learn, about what you did in your previous studies or before them, which exciting things you have experienced, in which countries you have lived, travelled or worked in; which professions or vocational trainings you have completed; who you have met or got to know, what special characteristics you have or what you already have achieved or how you'd describe yourself in few words; things that are important to you or you could not live without, your hobbies or what voluntary, honorary or social engagements you pursue, what you like doing when you don't study and what makes you happy. Further things that you want to achieve or want to become when you are a 'grown-up'. Also what would have been your alternative to studying in Tübingen, a different subject, a different institution or pursuing professional training instead. Should you intend to study abroad or have already done so, where have you been or do you want to go to? And finally who's your real or fictional role model and what is your motto? **Please don't be too serious (this is not an application) but also don't write nonsense.**
